

SHE Hosts Guide

Need help making your SHE Hosts event unforgettable for your guests?

Theme: **Pan-African Potluck**

Invite guests to bring dishes from different partner countries.

MUSIC

While guests arrive, play a mix of lively afrobeat, highlife, kadongo kamu, afro-pop and sungura tunes.

Once everyone is settled in, move on to soulful afro-jazz, the upbeat Lusubilo Band and chimurenga rhythms to accompany the meal.

As the evening progresses, wind down with soft instrumentals from different partner countries for a warm ambience.

ACTIVITIES

Invite guests to introduce their dishes and share their cultural significance along with a fun fact about the countries they originate from.

Quiz guests on the countries with small tokens as prizes.

Discuss the impact of supporting SHE on aspiring women entrepreneurs and their communities.
