

SHE Hosts Guide

Need help making your SHE Hosts event unforgettable for your guests?

Theme: **West African Comfort**

Bring friends together over a hearty cassava leaf stew.

MUSIC

While guests arrive, play lively afrobeats and highlife tunes from West African icon Sorie Kondi.

Once everyone is settled in, move on to soulful afro-jazz and modern HipCo (Liberian rap) to accompany the meal.

As the evening progresses, wind down with soft traditional bubu tracks from Sierra Leone for a warm ambience.
